8. **ADULTS ONLY:** All overnight guests must be at least 18 years or older.
9. **LEASH POLICY:** Dogs must be on leash at all times, inside and outside. They can be off-leash in the bedroom and in the small exercise area outside. Dogs must be supervised at all times.
10. **DOG RELIEF AREA:** When you take your dog out to “park,” use the designated dog relief areas. Always clean up after your dog.

Please help us to continue providing this service to you by picking up after yourselves. We do not employ housekeeping staff. Cleaning supplies are available if you have a need for them.

15. **AFTER HOURS:** When you get up at night to step outside or take your dog to the relief area, the parking lot side has the best lighting. Please go across the lot to the tree-line. Keep all noise down to a respectable level, especially after 10pm.
16. **MEETING ROOMS:** You can use the meeting room downstairs in the evenings for gatherings/socializing. Leave the room ready for class to resume in the morning.
17. **LAUNDRY:** A washer and dryer are available on the lower level for your convenience. Do not leave your items in the machines for an extended period, as others may need to use them as well.
18. **DOOR CODES:** Door codes are changed regularly. The code you used during your stay will no longer be active after your week of class. Do not share the door code with anyone not staying at the residence.
19. **MENTOR:** There will be mentors on campus if you need assistance. These are Veterans of our program and are there to help provide information and support while you are staying with us.
20. **VALUABLES:** Patriot Assistance Dogs is not responsible for the loss or damage of any items that you have brought onto the premises. You are solely responsible for your items. Each bedroom has a lock.
21. **INJURIES:** Patriot Assistance Dogs is not responsible for any injuries sustained while visiting or staying on campus.
22. **PARKING:** Park at the backside of the parking lot opposite the building, leaving the front door open for those with the need for easier access. You are responsible for your vehicle and all valuables that may be left in it. Patriot Assistance Dogs is not responsible for any damage to vehicles, or responsible for the contents within.
23. **RECYCLING:** There are labeled receptacles in the kitchen and the classroom for plastic bottles and soda cans. Tin/steel cans, glass, and paper can be recycled in the kitchen.

I have read the above campus rules. I am aware that other rules or requests may be presented during my stay, either in writing or verbally by Patriot Assistance Dogs staff. I also understand that I am responsible for my own safety, valuables and property, and that Patriot Assistance Dogs cannot be held liable for any damages, losses, or injuries. I am aware that all common areas are equipped with surveillance cameras. I agree to abide by the campus rules and will help keep the campus clean and presentable.
